

A big thank you to you
for adopting 'Bhoomija'

It is our simple
way to spread Love for
each other & for Nature.

Nurture Nature along
with celebrating the unique
bond of a brother & a sister.

Explore the Magic of Love
With BHOOMIJA.

Breathe Green...Live Green.
Reduce your trash.

Re-Think ,
Re-Decide, Revive, Refuse,
Reduce, Repair, Reuse,
Re-Innovate, Rejoice.
with BHOOMIJA

Bhoomija is as gentle as Earth.
Handle with care DO NOT DROP.
Ideally, plant the same of next day
of wearing it. Germination time will
vary from 3 to 15 days depending on
the love given.

'Bhoomija' is 90% eco-friendly.

'Bhoomija' is not a product but a way
of life that supports education &
livelihood. It includes.

- The Magic of Love & Kindness.
- 1 Rakhi.
- 1 Roli Chawal, Instructions.
- 1 Eco photoframe gift.

Be a Prithvi Mitr.

All you have to do is, after wearing the rakhi, plant the seeds inside the rakhis in soil/ can (Fill the cans with soil) and watch the magic unfold.

It would be great to hear your green stories of Rakshabandhan with photos, (planting the seeds with your brother & later with the sprouted saplings) .

Thanks
